
Are You An Active Member?

Are you an active member, the kind that would be missed?
Or are you contented that your name is on a list?
Do you attend the meetings and mingle with the flock?
Or do you meet in private to criticise and mock?

Do you take an active part to help the work along?
Or are you satisfied with thinking that you just belong?
Do you join the committees? To this there is no trick.
Or leave the work to just a few, then talk about the clique?

Please come to the Bi-annual meeting and help with hand and heart.
Don't be just a member, but take an active part.
Think these verses over; you know right from wrong.
Are you an active member or do you just belong?
